The Gloucester Rangers are pleased this year to have been awarded to host the CHL Tier 1 (formerly known as the CJHL) annual draft which will be held at the Earl Armstrong Arena at 6:00 pm on May 19th. We invite the public as well as the media to come by and experience this event and support our young hockey players.

This is an exciting time for many of the young hockey talent from our region and a time that many of them have looked forward to for some time. They will wait apprehensively along with their family, coaches, and friends to hear their names called by one of the 12 teams in the CHL Tier1 and they at that time will take a further step in their hockey careers, maybe even one day making it to the NHL.

Come on out for the evening and support our talented group of hockey players.

See you at the Earl Armstrong on May 19th at 6 :00pm.
